

October 8-2023 Vocal Concert  
By Shri Dhananjay Hegde and company

🙏 Thank you Dr. Deenbandhu & Mrs. Bharti Chokshi and the APAI team for bringing us these rare, talented classical Indian artists for this private, intimate concert. 🎵 The echoes traditional vocals, tabla, and harmonium took us to ancient India where these instruments helped shape the now more popular Bollywood music and more. 🙏 APAI's mission to educate and inform is what will help Indian classical music stay visible.

🙏 Thank you to our members Kalhan & Rakesh Raina from The Palace for providing a lovely dinner to go with the concert. Follow APAI for upcoming events and info on its FAU Arts Endowment fund that will feature classical Indian music/dance at the university level: [apaiart.com](http://apaiart.com)
