

MARCH 30, 2019 PROGRAM REVIEW

Cosmic Sounds of Dhrupad featuring Padmashri Gundecha Brothers at FAU.

(1) Dear Bharti,

Audience Feedback for March 30-2019 Cosmic Sounds of Dhrupad What a great turn-out for the concert on Saturday! Congratulations! I very much enjoyed the music...it was very meditative. I am so impressed with the stamina of the brothers who never took a break! I had to leave at 8:15 for another event, so I am sorry I did not see you afterwards. We are very much enjoying our relationship with the Association and appreciate your leadership.

Sincerely, Michael

(2) Subject: Congratulations

Hi Bharti,

Congratulations on a wonderful show with the Gundecha Brothers on Saturday night! Everyone was so appreciative of the music. I loved it! I don't know if you had the audience numbers you normally have, but I was very impressed with the turnout, and from our box office count, it looks like 188 people attended. That's good since we also had a busy show the night before, and we had only a few patrons at both events.

Thank you,

Becky

(4) Dear Bharti,

It was a spectacular event! We give it a 1 without question for the quality of the artists and the venue. The management of the venue needs to be a little stricter about enforcing the switching off of electronic devices. So many people look at their cell phones during the performance, and it is extremely distracting for those of us who are spellbound by the music.

Also, if you see a lot of 5s in response to your questions, it might be because people assume that 5 is best, since they are used to reviewing things as 5-star online. You might take that into account in future.

In any case, we want to thank you for this memorable concert. We'll let you know about Shujaat Khan as soon as Mamta's book events calendar is more definite.

Best to you and Dr. Chokshi,
Mamata & Daniel Fryer
