

MAY 18, 2019 PROGRAM REVIEW

Music for the Soul

On a scale of 1 to 5, with 1 being Excellent, 3 Mediocre, and 5 Poor, please rate the following:

- (1) The quality of the artist-----
- (2) The sound quality-----
- (3)The Overall Management-----

- 1- The theatre size was perfect for the number of people attending.
- 2- The lighting and the Sound quality was excellent without echo, reverberation or the illusion of abnormal distance between the artist and the audience
- 3- The artist's voice was very well trained, smooth between all octaves yet pleasant to the ear.
- 4- His choice of presentations in the second half was very good for the public interest. 5- It might be fruitful to give little more information on the music by the artists since all members of the audience are not well versed in the knowledge of the music. 6- Tabla and Harmonium were very well 'in tune" with the singer
- 7- The place was a bit difficult to find...a map of the FAU layout would help. Many people were late because they were, like us, were going round and round since GPS only got you to College Avenue.

Thank you for all you do.....
