Celestial Trio

We had a great time. The music was truly celestial. Thanks for making it happen. Namaste

artists= 1

sound= 1

service at box office= 2 (a little confusion with tickets, thanks for sorting it out for us)

I would love to know who catered the food. It was delicious! Maybe they could put cards on table in future. It was great having the food there. It made it a complete experience. The music was just amazing! I cannot say enough what a great time we had. Thank you!!

We had a lovely time!

The quality of the artists was great - as you well know - started out kind of slow (as he warned us), but we were jumping out of our seats by the end.

The sound in the auditorium was fine, it got a little loud a couple times. Did they not do a sound check in advance??? The audience should not have to sit through a sound check!

The service at the box office was fine - I did not read the sign that said those who had paid online did not have to stand in line. Maybe a volunteer could stand out front or at the window to let those in line know about that. Also, there was a check-in table inside - once again, they told me I could go directly to the auditorium door. You could probably make that a little more clear...

I'll try the dinner next time - it smelled fabulous!

We had a lovely time!

It was a pleasure to see you last night. I look forward to seeing another one of your performances in the near future.

Sincerely,
Lynn Cantrell
