This was our first time seeing an APAI event and the Shakti Group and it was absolutely fabulous! The live music, the beautiful costumes, the props and of course the talented dancers made the performance so artistic and awe inspiring. As young dancers, our girls were very delighted to see this caliber of dancing, that was not only entertaining, but still appreciated by the public. They can't wait till the next show. I also wanted to express my heartfelt gratitude to you and all the individuals who have worked tirelessly alongside you for the past ten years in bringing Indian Arts to the forefront and making it attainable and affordable for the public to enjoy. It is absolutely commendable that you have had the tenacity and drive to keep this organization (APAI) alive and strong. Our family is inspired by all your efforts and would like to offer our time to assist in future endeavors for APAI.

Thank you for organizing these amazing events. They help people like us who are not familiar with eastern cultures to acquire a more complete view of human endeavors, and to understand that the search for wisdom and beauty is universal.

I thoroughly enjoyed the presentation. It was very educational as well as artistic. My main critique was on the lighting. Thanks for your great contribution to the arts in S. Fla.
