Audience feedback

(1)Hi Bharti,

Congratulations on a successful event last night. Uma, and the rest of the staff was very welcoming and accommodating. I've learned so much about Shiva, and so much more. It was a pleasure attending your event.

(2) it was a feast for the eyes, ears, and soul. The precision, grace and athleticism of the dance groups was remarkable.

(1) 1- Excellent

(2)- Sound was a little too loud. The sound system in the temple is old and has not been updated for a long time. The acoustics are not the best for an art program. But I understand we can not do all programs in the venue of choice.

(3)- The place was perfect for the type of program conducted.

The APAI banner was right in the middle of the stage which interfered with the color display of the costumes. The uniform white background was perfect to accentuate the vibrant costumes. Next time, the banner can be placed on the side.

(4) Excellent organization, Master of Ceremonies delivery, and time management.

Thank you as always ... for all you do.
