Earlier this evening, the “Legacy:Tribute to Bharat Ratna Pandit Ravi Shankar” concert organized by the Association of Performing Arts of India (APAI) took place at the Amaturo theatre at Broward Center of Performing Arts in Fort Lauderdale. Several beautiful evening and night ragas were played by a team of accomplished performers from India and South Florida.
The program consisted of three segments.
In one segment, a team consisting of Pandit Krishna Bhatt on the sitar, George Brooks on the saxophone, Shri. Sanjay Chandran on Carnatic violin, Dr. Ramakrishnan on the Mridangam and Shri. Sudhir Limaye on the tabla played ragas Bhoopali and Kirwani.
In another segment, a team consisting of Pandit Subhen Chatterjee on the tabla, Vidushi Mita Nag on the Sitar and Pandit Parthosarothy on the Sarod presented Raga Rangeshwari (Patdeep with a Rishabh) and Bhairavi Dadra.
I was delighted to sing the opening invocation prayer composed by Pandit Ravi Shankar. Shri. Sudhir Limaye accompanied on the tabla, Navaneeth S. Kumar played the keyboard and my student Achint Lehal provided vocal support.
Approximately 200 people attended the music program. **#hindustanimusic #southflorida #indianclassicalmusic #IndianDiaspora**
