(5)Namaste Bharati Ji,

Thank you so much for organizing such a beautiful and deeply moving evening today. The musical blend of the sitar, violin, saxophone, tabla, and mridangam was nothing short of magical. The rendition of Raag Bhairavi on the veena and sitar brought tears of joy. It left us craving more—we could have gladly spent the entire night immersed in that music.

Thank you once again for your dedication and hard work in bringing such amazing artists together. 🙏🙏🙏

(6) Last evening's concert was fantastic! I heard so much positive feedback from several friends who were in the audience. Congratulations to you and Dr. Chokshi for spearheading this wonderful cultural movement in South Florida and for bringing such stalwart artists to our community! I'm sorry I missed seeing you at the end. And thank you so much for the honorarium check—you really didn't have to! It was incredibly generous of you.
